Remedial Classes

Dear Students,

We are writing to inform you that you have been selected for remedial classes due to your poor performance in the tests conducted on 2 March 2023 and 24 March 2023 of the subject MTH-203B Numerical Analysis. These classes are designed to help you improve your academic performance and succeed in your studies.

The remedial classes will be held on the following dates: 31 March 2023 and 05 April 2023. The classes will start at 9:50. The classes will be conducted by Mr. S. N. Patil.

Attendance at the remedial classes is crucial, and we strongly encourage you to take them seriously and attend them regularly. Your participation and attendance will be monitored, and we hope to see a significant improvement in your academic performance.

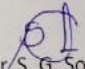

Please note that the remedial classes will cover the topics that were covered in the previous tests, and the teacher will provide additional guidance and support to help you understand the topics better.

If you have any questions or concerns about the remedial classes, please contact Mr. S. N. Patil.

We hope that you will take advantage of this opportunity to improve your academic performance, and we look forward to seeing you at the remedial classes.

Mr. S. N. Patil

Remedial Classes

Dear Students,

We are writing to inform you that you have been selected for remedial classes due to your poor performance in the tests conducted on 29 September 2023 and 09 October 2023 of the subject MTH-101 Matrix Algebra. These classes are designed to help you improve your academic performance and succeed in your studies.

The remedial classes will be held on the following dates: 10 October 2023 and 11 October 2023. The classes will start at 8:50. The classes will be conducted by Mr. S. N. Patil.

Attendance at the remedial classes is crucial, and we strongly encourage you to take them seriously and attend them regularly. Your participation and attendance will be monitored, and we hope to see a significant improvement in your academic performance.

Please note that the remedial classes will cover the topics that were covered in the previous tests, and the teacher will provide additional guidance and support to help you understand the topics better.

If you have any questions or concerns about the remedial classes, please contact Mr. S. N. Patil.

We hope that you will take advantage of this opportunity to improve your academic performance, and we look forward to seeing you at the remedial classes.

Remedial Classes

Dear Students,

We are writing to inform you that you have been selected for remedial classes due to your poor performance in the tests conducted on 24 Feb. 2024 and 15 March 2024 of the subject MTH-203(B) Numerical Methods. These classes are designed to help you improve your academic performance and succeed in your studies.

The remedial classes will be held on the following dates: 22 March 2024 and 23 March 2024. The classes will start at 9:50. The classes will be conducted by Mr. S. N. Patil.

Attendance at the remedial classes is crucial, and we strongly encourage you to take them seriously and attend them regularly. Your participation and attendance will be monitored, and we hope to see a significant improvement in your academic performance.

Please note that the remedial classes will cover the topics that were covered in the previous tests, and the teacher will provide additional guidance and support to help you understand the topics better.

If you have any questions or concerns about the remedial classes, please contact Mr. S. N. Patil.

We hope that you will take advantage of this opportunity to improve your academic performance, and we look forward to seeing you at the remedial classes.

**Nanasaheb Yashvantrao Narayanrao Chavan
Arts, Science and Commerce College, Chalisgaon**

Commerce Department

It is informed to all the concerns that, as per circular from Kavyitri Bahinabai Chaudhari North Maharashtra University, Jalgaon, a student having passed at 10+2 Level with any stream (Arts/Science / Commerce) or having passed any Diploma after 10+2 Level are permissible to take the admission in FYB.Com class. Presently, under the Commerce stream there is one Compulsory subject i.e. accountancy every year of B.Com curriculum. So, to develop the knowledge regarding fundamentals of accountancy and Commerce, faculties from our Department are conducting the **Remedial classes** for such type of students enrolled in the FYB.Com class, SYB.Com class and TYB.Com class. To check the progress we use the tools and techniques such as interaction in class, to ask the simple questions, Problem and Solution and give the Home assignments.

Apart from this, it is also informed that, there is one compulsory subject namely **'Soft Skills Development'** at TYB.Com (Semester VI) level. It is part of the Curriculum. So, concern faculties from the department always gives the Lectures on different type of soft skills such as Time Management, Stress Management, Conflict Management, Group discussion, Motivation, Positive attitude, ethics etc, also conduct practical sessions with games, gives the examples of it, and in this way try to develop sense of soft skills among the students.

It is Informed so.

Thanking You.
