Report of Medical check up camp in collaboration with IMA

Every year, a medical check-up camp is organized for the first-year students of BA, BSc, BCom, BCA, and MSc programs. We invite the Chalisgaon branch of the Indian Medical Association (IMA) to participate in this event, and the members actively and wholeheartedly contribute to the activity. Before beginning the check-up process, many of the doctors deliver informative talks on health and hygiene, offering tips on identifying certain deficiencies. They also encourage students to practice yoga and exercises, emphasizing the importance of maintaining a healthy body for a healthy mind.

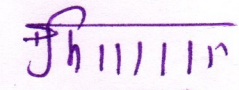

During the check-ups, doctors prescribe necessary medications, recommend visits to specialists, or suggest certain tests when needed. We are extremely grateful for their cooperation and collaboration.

In addition to this partnership, we also benefit from their expertise in other areas, such as serving as motivational speakers at events like the Yuvati Sabha and inaugurating various programs. We are truly thankful for their continued support and collaboration.
