## Report on Teachers' Feedback

Feedback from teachers regarding the curriculum design for the academic year 2018-19 was collected through a comprehensive questionnaire. 45 teachers filled the questionnaire. This questionnaire addressed several key components, including course objectives, course content, the utility of the curriculum, its effectiveness in developing social skills, and its role in enhancing students' global competencies. Teachers rated their responses using the categories "very good," "good," "satisfactory," and "unsatisfactory." The analysis of these responses is included in this report.

## Report on Students' Feedback

Feedback from students regarding the curriculum for the academic year 2018-19 was gathered through a specially designed questionnaire. 1085 students filled the offline questionnaire. The responses collected from students were analyzed to gain insights into their experiences and to evaluate implications for future improvements.

The college has consistently prioritized the incorporation of student feedback into its decision-making processes. Based on the suggestions received, various policies have been developed to enhance the educational experience.

The analysis of student feedback from all branches has been included in this report. These insights will serve as a foundation for guiding future curriculum enhancements and ensuring that our offerings meet the needs of our students effectively.
