Clarification

1) The following are Diploma and Advanced Diploma courses run by the College -

- I. Diploma Course in Communicative English
- II. Advanced Diploma Course in Communicative English
- III. Diploma Course in Horticulture Technology
- IV. Diploma Course in Biotechnology
- V. Advanced Diploma Course in Biotechnology

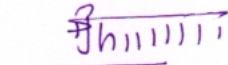

All these Certificate, Diploma and Advanced Diploma courses are one year Career Oriented Programs (COP) approved by UGC and affiliating University. These courses are **not the part of under regular University curriculum**. So we kindly request to consider these courses as Add-on/Certificate/Value added courses.

2) The Add-on courses run in the year 2020-21 – Skill Development Programme: Understanding COVID 19 Awareness and Prevention and Skill Development Programme: Virtual Learning to Overcome Barriers are separately organized for All B. A., All B. Sc. and All B. Com. & Management class separately at different durations so it is not the repetition of Add on/Certificate/Value added programs. Please consider.
